

**ADDENDUM NO. ONE (1)
SPECIFICATIONS AND DRAWINGS FOR
A NEW HELENA COMMUNITY CENTER
NEWBERRY, SC**

DSP # 0555

September 10, 2007

The following additions, corrections, and clarifications to the drawings and specifications shall be made. The General Provisions of the Contract, (General, Supplementary, and other Conditions), and Division I, as appropriate, shall apply to the work described in this Addendum. The Addendum shall become a part of the Contract Documents and shall supersede applicable portions of the drawings and specifications previously issued. The Contractor shall be responsible for all items within this Addendum and for coordinating and providing all construction and conditions affected by all terms stipulated and implied.
