**Addendum #8 – Putnam Hudnall Area Drainage Improvements**  
**Bid No. CP0097-07**  
**Revised Bid Opening Date September 5<sup>th</sup>, 2007 @ 2:00PM**

1. Page one Part A of the Bid Proposal Form is revised and reissued.
2. Bid Item #39 Temporary Sheet Piling is removed.
3. Bid Item #39 is replaced with "Pipe 54" RCP Class III (from S-130 and S-140 exclusive of structures)"  
Quantity 152 LF.
4. Bid Item #27 is revised to state "Pipe 54" RCP Class III (from S-140 to S-150 exclusive of structures)"  
Quantity 144 LF.
5. Attention is called to the following City Standard Specifications for City of Jacksonville:
  - Section 200.4 Trench Excavation: "All excavation for piping shall be open trench."
  - Section 200.7 Sheeting, Shoring & Bracing
    - Section 200.7.2 Excavation Less Than 10 Feet: "Such sheeting and shoring will be considered as being for the contractor's convenience and benefit and all costs of furnishing, driving and removing same be borne by him.
  - Section 200.17 Measurement & Payment
    - Section 200.17.6 Sheeting: "The cost shall be merged with the cost of the items to which the sheeting is incidental or appurtenant"
  - Section 201 Storm Drains and Culverts
    - Section 201.4.4 Measurement and Payment: "Payment shall constitute full compensation for excavating, bed preparation, backfilling, de-watering, sheeting and shoring trenches, soil compaction, site restoration and clean-up"
6. The quantity for Bid Item #6 A-3 Sand (Contingency) is reduced to 500 CY.
7. The quantity for Bid Item #7 Over excavation (Contingency) is reduced to 500 CY.
8. The quantity for Bid Item #8 Haul and Dispose Unsuitable Material (Contingency) is reduced to 500 CY.
9. If quantities of suitable A-3 materials are found on site they may be used as backfill. The City, at its discretion, may require testing of the material for backfill. Testing to be performed by the City. Section 103.2 states, "Should any doubt exist as to the suitability of material, an independent testing laboratory shall be engaged to perform soil analysis...."
